**PUBLIC PARTICIPATION**

There were no community members in attendance.

Mr. Athanas gave a brief presentation highlighting the activities from the past year, as well as statistical information about the many programs and services that were provided to the community. The presentation specifically touched on the ways in which the library had to quickly change from a mostly in-person service model to a completely virtual one by using new techniques and technologies to engage the community during the COVID-19 pandemic. In 2020, the library added curbside pickup, virtual programming, grab-and-go art kits, live online chat, book bundles, a HPL YouTube channel and online reading clubs, in addition to a completely new mobile-friendly website in order to support our community's needs. Mr. Athanas has made his presentation available on the library's webpage under About/Budget Information.

Motion by Mrs. Shore, seconded by Ms. Boyer, to adjourn the Budget Information Meeting at 7:37 p.m.

Respectfully submitted,

Katherine Rath for  
Jenny Shore, Secretary
